Schools may offer JumpingJoey's NumberLine products for students to use in addition to classroom materials. Parents select products from the order form and write a check to the school for the order. The school pays PsySoEd Dynamics LLC directly. There is no charge for shipping and handling on student purchases. Students also enjoy the 10% intro discount. In addition, 5% of student purchases will be donated back to the school by PsySoEd Dynamics in recognition of the children's love of learning.

Brief Product Descriptions. See website for more information.

JJNLFM01- Helps students learn addition and subtraction in a multi-sensory approach. A 30-foot long, durable canvas number line (three 10 ft. pieces attachable via Velcro) that features numbers and JumpingJoey. The GuideBook is also included with purchase.

JJNLFM02-Features 5 FloorMats at over a 10% discount.

JJNLFM03-An extra set of dice that comes with the FloorMat.

JJNLPM01- Provides students with the essence of JumpingJoey's NumberLine in a desk-size format. Comes with multiple types of brightly colored, multi-sided dice and JumpingJoey figures. Available with GuideBook.

JJNLPM02- Features 12 PlaceMat sets for the price of 10. Packaged with multiple PlaceMats in each durable plastic case for easy storage.

JJNLPM03-An extra set of dice and figures that comes with JumpingJoey's NumberLine PlaceMat.

JJNLGB01- A comprehensive guide to the multi-sensory, child-centered JumpingJoey's NumberLine approach. Teaches educators, students, and parents how to use the FloorMat and PlaceMat.

JJNLGB02- Features 12 guidebooks for the price of 10.

JJNLCR01- Features 1 FloorMat, 2 GuideBooks, and 10 PlaceMats.

JJNLAPM1-Uses the multi-sensory approach of JumpingJoey's NumberLine to help students learn all four operations in a desk-size format.

JJNLAPM2- Features 12 Arithmetic PlaceMats for the price of 10. Products are bundled in groups in durable plastic holders for easy storage.

JJNLAPM3- An extra set of dice and figures for JumpingJoey's NumberLine Arithmetic PlaceMat.

JJNLSP01-Turns the NumberLine approach into an abacus-like system allowing addition and subtraction to the hundred thousands! An informative supplement to be used with the Arithmetic PlaceMat

JJNLSP02- Features 12 Supplements for the price of 10. Supplements are bundled in groups in durable plastic holders for easy storage.

JJNLMDB1 - The effective way to understand and retain multiplication and division facts and concepts including remainders!

JJNLMDB2 - Features 12 Multiplication and Division Books for the price of 10.

JJNLMDB3 - An extra set of dice and figures that comes with JumpingJoey's NumberLine Multiplication and Division Book.

JJNLGS01 - Offers 3 dynamic math games for one or more players using any of JumpingJoey's NumberLine products that increase mathematical knowledge in an enjoyable, compelling way that students will use again and again.

JJNLGS02 - Features 12 GameSets for the price of 10.

JJNLCP01 - Features 1 PlaceMat and GuideBook, 1 Arithmetic PlaceMat, 1 Supplement, 1 Multiplication and Division Book, and 1 GameSet. It is the perfect selection for the home, tutoring center, or school.
